Shutts & Bowen: Nourishing Students Beyond the Classroom

As we enter the holiday season, many students will miss the consistent two meals a day provided at school. Ranger Good Works extends heartfelt thanks to Shutts & Bowen LLP for their generous support this Thanksgiving season. The firm prepared "Meals on the Go" snack bags for Dillard Elementary students to take home over the holiday break helping ensure children who may experience food insecurity still have nutritious snacks when school is closed.

Each thoughtfully prepared bag includes granola bars, fruit cups, tuna/chicken, trail mix, crackers, juice boxes, and a cheerful holiday note, spreading both nourishment and kindness to our students and families. CAMPAIGN FOR LITERACY: EMPOWERING YOUNG READERS

Although Dillard and North Fork Elementary have shown continuous academic growth, we must strengthen our collective support for reading. Many students are still entering kindergarten without foundational literacy skills, and too many remain a grade level or more behind in reading proficiency.

Ranger Good Works is launching the Campaign for Literacy to ignite a lifelong love of reading among students at Dillard and North Fork Elementary. Through this initiative, we aim to host engaging literacy events that celebrate the joy of books while expanding access to quality reading materials for every child. Your generosity will help place books directly into the hands of children who need them most, inspiring confidence, creativity, and a lifelong passion for learning. Together, we can fight the literacy gap and help every child discover the power of reading.
